

## **An Evening of Owls – Atlantic Region Owl Survey Webinar**

<https://www.youtube.com/watch?v=uzCdKxaK8Q4&t=756s>

A webinar made by our passionate biologists with the Nocturnal Owl Survey program in the Atlantic region! Learn how to identify Atlantic owls, cool facts about owl species, and how data collected by Nocturnal Owl Survey volunteers, as well as other research programs, contribute to our scientific knowledge of owls and their conservation. This webinar was recorded on 25 February 2021.

0:00 = Introduction

8:55 = Owl diversity in the Atlantic

34:35 = Quiz

44:58 = Research and conservation applications

1:01:41 = Next steps

You can learn more about the Nocturnal Owl Survey at:
